

# MONTANA STATE PARKS

## HONORS THE

# MEN AND WOMEN

# WHO HAVE SERVED OUR COUNTRY

Montana Fish, Wildlife & Parks will recognize the veterans who have served our country by waiving camping fees at Montana State Parks for veterans for one night during

Veteran's Day weekend

November 11-14.

The waiver includes both campsite and electrical hookup fees, where available. All campsites are on a first-come, first served basis. Campers should be aware that running water is shut off at this time of the year in state park campgrounds. That means that there will be no showers or potable water available. Plan to carry your own water for drinking and cooking.

Open Campgrounds: Ackley Lake, Bannack, Black Sandy, Cooney, Finley Point, Hell Creek, Lake Mary Ronan (construction at the park should be completed by November 8. Check for the latest status at (406) 752-5501), Lewis & Clark Caverns, Logan, Lost Creek, Makoshika, Medicine Rocks, Missouri Headwaters, Painted Rocks, Placid Lake, Tongue River Reservoir, West Shore, Whitefish Lake.

For more information about Veteran's Day weekend or any state park, call the Montana State Parks office at (406) 444-3750.
